Epson TM-m50II (102): Serial + USB + Ethernet + NES, Black, PS,

TM-m50II (102): Serial + USB + Ethernet + NES, Black, PS, EU

Best for high-volume POS environments that need a compact receipt printer with a large paper capacity.

Compact cube design.

The cube design, available in white or black, means it will complement the aesthetics of any modern retail store, and the small footprint means it can fit easily on the counter-top or underneath on the shelf edge.

Reliable.

In fast paced environments, it's essential to minimise downtime. Epson is the market leader in POS printing[1] with a heritage of producing high-quality and reliable systems, making the TM-m50II a dependable solution.

Legacy print features.

The TM-m50II is a feature packed, high performance solution with the legacy features required to allow customers seamless integration into their current systems.

Easy to use.

The TM-m50II is a highly intuitive out-of-the-box solution with flexible drop-in paper loading (front or top) and advanced paper saving options.

Enhanced connectivity.

Flexible connectivity options include serial port, USB-B, Ethernet and USB-A.

Speed.

The TM-m50II provides high-efficiency throughput at print speeds up to 500mm/s[2] , offering fast cheque processing and a swift auto-cutter.

DATASHEET / BROCHURE
